Music Electives (3 Crs.) [4]			

All Composition majors must maintain a B average in Music Theory courses.

1 Students whose principal instrument is piano or organ must substitute two hours of String Class, Woodwind Class, or Brass and Percussion Class in consultation with their advisor.

2 Students must be enrolled in private applied study in the same term as their recital.

3 Junior-level standing in degree program shall be based on an evaluation of a portfolio of the student's compositions after completion of Composition II.

4 Music electives selected in consultation with advisor.

Every candidate for a music degree must display a minimum proficiency in piano. An examination to determine such proficiency is ordinarily given at the end of the sophomore year. Students not meeting requirements by this time must continue to study piano until the required standards are met.

All students must stand jury examinations each semester that they are enrolled in applied study except for the terms in which they are subject to recital juries.
